About Goa Open Arts

Goa Open Arts is a platform which was conceptualised with the aim of galvanising the creative talent pool that resides in Goa. Our first festival was held in February, 2020 where more than 75 Goa-based artists, musicians, poets and other creative practitioners were showcased. Continuing our intention to support local arts practices, the Catalyst Grant was initiated in 2020 during the pandemic to help mitigate the damaging impact of the lockdowns. In its two editions the Catalyst Grants have supported twelve artists through financial awards, two exhibitions at Sunaparanta Centre for the Arts and public engagements. In 2021 the Goa Open Arts Engage Grant was started to support projects and artist led initiatives that benefit and engender community engagement.
